

24 OLD FASHIONED FLAVORS

Joe knew that if we were going to make our own Ice Cream we needed to make the best. So we started with the very freshest dairy cream. Then we added items such as fresh strawberries, fresh raspberries, fresh blackberries, roasted walnuts, pistachios, roasted pecans, fudge brownies, pure Madagascar vanilla extract, Belgium hot fudge, and much much more. In a word Joe's means QUALITY. But don't take our word for it. Choose one and taste for yourself.
